...kada su Rimljani prihvatili hrišćanstvo — u stvari, isključivo ideologiju, a njome i konceptu neposvojivosti, ostali su bez imovine i vlasništva. Da je Umberto Eco u historijskoj romanu i filmu "Ime ruže" umesto "Postojine" Aristotela naveo (kao su otkrivene) "Investiture" Gaja, bilo bi jasno da su prihvatili uništenje Rima, a Vatikan neosvojivo prisvojio bogatstvo i jezik Rimljana, zbog čega je uništavao rimsko pravo.

When the Romans adopted Christianity — a desert ideology — and thus the concept of nonproperty, they were left without property and disappeared. If Umberto Eco had indicated Gal's Destitutions instead of Aristotle's Poetics as the text revealed in the historical novel The Name of the Rose and the film of the same name, it would have been clear that the Christians had destroyed Rome; but the Vatican baselessly appropriated the wealth and language of the Romans and as a result prohibited and abolished Roman law.
